

# Introducing the

**ISfTeH** | International Society for  
Telemedicine & eHealth

# Mission Statement

The ISfTeH exists to facilitate the international dissemination of knowledge and experience in Telemedicine and eHealth and to provide access to recognized experts in the field worldwide.

- Promotion & support of Telemedicine and eHealth activities worldwide
- Sharing good practice and experience across geographical and professional boundaries
- Providing access to key contacts at national and regional levels
- Federation of national Telemedicine and eHealth organizations
- Assisting the start-up of new national organizations
- Supporting developing countries in the field of Telemedicine and eHealth
- Open dialogue and cooperation with industry to further the development and implementation of innovative and practical solutions and services
- Non-governmental and non-profit society
- Neutral & democratic (association established under Swiss law)
- Fair membership fees

# Benefits

The screenshot shows the homepage of the International Society for Telemedicine & eHealth (ISfTeH). The header includes the ISfTeH logo, the full name of the organization, and a navigation menu with links for Home/ISfTeH, About, Members, Working groups, Conferences & events, and Media. A search bar and utility links (Site map, Contact, News feed/RSS) are also present. The main content area features a large text block on the left and a news section on the right.
