The screenshot shows the WeObservatory website interface. At the top, there is a search bar and navigation tabs for 'Home', 'About', 'News', 'Partners', and 'Awards'. Below this, there are several featured project cards. One card is titled 'INCREASING INSTITUTIONAL DELIVERY SERV...' and another is 'Improving Education and Skills Training...'. A prominent banner in the middle asks 'Could one of these 20 ideas help in your practice?'. At the bottom, there is a call to action: 'Take part in the «Sanofi Espoir Foundation's Awards for midwives» by submitting your project on the website: http://care-challenge.com/en/midwives before April 20, 2014. The 10 winning projects will receive a financial support of 3,000 Euros'. The website footer includes social media icons and a 'connecting midwives' logo.

WeObservatory  OPEN DIALOGUE SERIES ON WOMEN'S EMPOWERMENT

Innovation for Women's Health

The overall objective of the WeObservatory at the Foundation Millennium2025 is to serve as a unique Resource Center to promote women's empowerment through the access and use of advanced technologies for health, combined with innovative integrated collaborative leadership programs. This roundtable provides a set of innovations that addresses women's health needs.

One year before the achievement of the UN MDGs, the OPEN DIALOGUE SERIES initiated in May 2012 in Geneva, offer the opportunity to connect, dialogue and shape the Vision of The Future by 2025 with key players from the private sector, UN agencies, NGOs, universities, foundations, governments representatives and women's
